

## Aksi Remaja : Bengkel Sokongan Ibu Bapa

**Date : Sunday, 25 April 04**

**Time: 9am – 1pm**

**Venue: Multi-Purpose Hall, Kg Ubi Community Centre  
Jalan Ubi, Singapore**

### **Programme Details:**

Apart from disseminating information and sharing handy tips on effective parenting, established speakers and trainers have been invited to share their expert knowledge on the fields of family motivation and therapy.

This support session will allow participants to determine topics of discussion that they seem relevant for their own family development. Other issues that could be discussed include youth development, communication, family support system and available assistance etc.

Everyone will get to discuss and explore new ways of enhancing their family relationship especially with their teenage children!
