MENDAKI PARTNERS AWARD 2013

Revolving around the theme of '**Building Relationship, Strengthening Partnership**', the MENDAKI Partners Award 2013 is to acknowledge the strength of partnerships and the importance of working closely together with national agencies, schools as well as Malay/Muslim organisations and other self-help groups and organisations. This event is to express MENDAKI's sincere gratitude to these partners that have supported and contributed to our efforts over the years.

The organisations who have contributed significantly to the success of MENDAKI's programmes to serve the community will be presented with the Outstanding Partnership Awards.

Three exceptional partners that have walked this journey with MENDAKI are the recipients of the Outstanding Partnership Award namely, **Bukit Batok East Malay Activity Executive Committee, Tampines Family Service Centre and PAP Community Foundation Woodlands** who went the extra mile to support MENDAKI's programmes and have made extraordinary contributions that value-add to the community.

The Partners Award presented at this Award Ceremony, will be presented to more than 40 partners who have been working closely with MENDAKI in programmes over a period of 5 to 20 years. It is in recognition of the unstinting support from our partners that the new category of Gold Award will be presented to partners who have worked with MENDAKI for 15 years and the Platinum Award for partners of 20 years and over.
