Come join us as we embark on an exciting journey to discover the world of pre-school education at The Learning Festival 2013. This Saturday, 9 November 2013, families will get a chance to experience diverse activities to promote early learning through play as well as get more information regarding early childhood education at Pasir Ris Park. This Festival underscores the importance of pre-school education in the development of our children, in line with the focus on early development by the Ministry of Education.
