About MENDAKI Club:

MENDAKI Club, or MClub, is a community of young Malay/Muslim professionals and students who are engaged in affairs concerning the community, Singapore and the world. We engage in strategic youth development initiatives and participate actively in discussions on current developments in the local and global arena. We also strive to build bridges within the Malay/Muslim community, and between our community and other communities, to promote mutual understanding and cooperation.

MClub was launched in 2000 by then-Deputy Prime Minister Lee Hsien Loong and constantly seeks new and interested individuals to be part of its growing community. As a registered society affiliated to the Malay/Muslim Self-Help Group Yayasan MENDAKI, the activities and programmes of MClub are largely organised and run by volunteers from a wide range of professions and backgrounds.
