MEDIA ADVISORY

FEC Family Day 2016: Read Together, Learn Together

From being a receiver to being a giver. This is just one of the outstanding achievements of the pioneering members of the **Family Excellence Circle (FEC)**. In its 11th year, the **FEC** will see an **expansion in the role of its pioneer members**. These independent, confident and empowered individuals actively pursue excellence not only for themselves but also for others. They have tirelessly rally their family members, friends and acquaintances to be a part of the FEC network and through the activities, embed a learning culture within their families.

Dr Yaacob Ibrahim, Minister for Communications and Information, Minister-In-Charge of Cyber Security and Minister-In-Charge of Muslim Affairs will be gracing this weekend's FEC Family Day on Sunday, 13 Nov 2016 at the Palawan Green, Sentosa. The event will also **reveal the new role of these pioneer FEC members**.

With the theme "**Read Together, Learn Together**", this year's FEC Family Day will also see the introduction of an enhancement to the FEC – the **formation of parent study circles**. Through these circles we hope to encourage FEC members to take up new skills in preparing them for the New Economy.
