

**Wonder. Discover. Aspire**  
**Building a Singapore for the Future**

***"We have to start with our education system. We are equipping students with up-to-date knowledge and skills to use the technology."***

***Prime Minister Lee Hsien Loong***  
***Smart Nation Launch 2014***

Come wonder and discover exciting learning experiences with new technology at The Learning Festival 2015.

Families will get the opportunity to explore the technology of the future such as robotics and coding as they journey and build their vision of Singapore's future. Dr Yaacob Ibrahim, Minister for Communications and Information, who is also the Minister-In-Charge of Muslim Affairs and Chairman of Yayasan MENDAKI will be joining the families in this journey of discovery.

We would like to invite you to join us and lend coverage to this meaningful community effort.
