**MCLUB GRADUATES' TEA 2017  
CHASING THE MILLENNIAL DREAM**

On Sunday, 20th August 2017, MENDAKI Club will support our millennial graduates in chasing their dreams by organising its 17th Graduates' Tea at Suntec City Convention Centre. The session will highlight the challenges and opportunities of the millennial generation and what it takes for them to succeed in tomorrow's workforce.

This annual Graduates' Tea event also aims to provide a platform for recent University or Polytechnic graduates and young professionals to network and pick up useful tips for succeeding in the new economy. To encourage graduates to adopt a balanced and holistic view of success, 30 industry leaders from various fields including the non-profit sector will be invited to the event to network and share ideas with them during the event. Graduates will have the opportunity to find out how they can contribute to communities in need and also pick up new skills through volunteering.

Minister for Communications and Information, Minister-in-charge of Cyber Security and Minister-In-Charge of Muslim Affairs, Dr Yaacob Ibrahim, will be gracing the event as Guest-of-Honour. Dr Yaacob will also be part of the panel discussion, participating in an in-depth discussion on the challenges and opportunities faced by the graduates in the millennial generation.

Your reporting crew is invited to cover the event. Details are as follows:

### **About MENDAKI Club (MClub):**

MENDAKI Club, or MClub, is a community of Malay/Muslim young professionals and students who are engaged in affairs concerning the community, Singapore and the world. We engage in strategic youth development initiatives and participate actively in discussions on current developments in the local and global arena. We also strive to build bridges within the Malay/Muslim community, and between our community and other communities, to promote mutual understanding and cooperation.

MClub was launched in 2000 by then-DPM Lee Hsien Loong and constantly seeks new and interested individuals to be part of its community. As a registered society and affiliated to the Malay/Muslim Self-Help Group Yayasan MENDAKI, the activities and programmes of MClub are largely organised and run by volunteers from a wide range of professions and backgrounds.
