
MENDAKI CLUB RE:WORK 2018
REWORKING TO MEET THE CHALLENGES OF THE FUTURE ECONOMY

On Saturday, 18th August 2018, MENDAKI Club (MClub) will support our graduates and young professionals in navigating the challenges of the future economy by organising its 18th Graduates' Tea at Suntec City Convention Centre. Now rebranded as re:work 2018, this session focuses on re-thinking the community's perception of work in the 21st Century and equipping our youths with the relevant skills to succeed in tomorrow's workforce.

In addition to workshops and discussions on the emerging trends in the economic and working landscapes, the session will also introduce an MClub initiative to promote a community-led career support network. This aims to help our youths connect to other professionals and community initiatives that help them develop their capabilities and navigate their careers.

Minister for the Environment and Water Resources, Minister-In-Charge of Muslim Affairs, and MClub Advisor, Mr Masagos Zulkifli Masagos Mohamad, will be gracing the event as Guest-of-Honour.

About MENDAKI Club (MClub):

MENDAKI Club, or MClub, is a community of Malay/Muslim young professionals and students who are engaged in affairs concerning the community, Singapore and the world. We engage in strategic youth development initiatives and participate actively in discussions on current developments in the local and global arena. We also strive to build bridges within the Malay/Muslim community, and between our community and other communities, to promote mutual understanding and cooperation.

MClub was launched in 2000 by then-DPM Lee Hsien Loong and constantly seeks new and interested individuals to be part of its community. As a registered society and affiliated to the Malay/Muslim Self-Help Group Yayasan MENDAKI, the activities and programmes of MClub are largely organised and run by volunteers from a wide range of professions and backgrounds.
