Raikan Ilmu, Celebrate Knowledge - Embracing a Culture of Learning as MENDAKI turns 35

Since 1982, Yayasan MENDAKI has partnered the Malay/Muslim community in its quest for excellence through education. Over three decades, MENDAKI has expanded beyond supporting academic development through tuition to developing our young children to be ready for school and assisting our community's future readiness.

This year, we commemorate our 35th milestone by fostering the community to embrace the culture of learning. Building on our *Raikan Ilmu* (Celebrate Knowledge) campaign launched last year, MENDAKI looks to nurture a lifelong culture of seeking knowledge and sharing knowledge within the community.

MENDAKI invites your editors to a Media Briefing as we share details of our commemorative plans to engage the community. This includes the sharing of our MENDAKI 35th Anniversary logo. Details of the Media Briefing are as follows:

Day, Date : Wednesday, 8 March 2017

Time : 9.15am to 10.30am

**Venue : Wisma MENDAKI
Meeting Room #02-14
