

# Finding that suitable **Primary School** for your child

Begin by identifying your child's interests, strengths & weaknesses

Factor in your child's needs for Mother Tongue support & commute convenience

# School culture

Learn about the values they have, past work & current achievements

Visit the school's open house to get a sense of the school's culture & learning environment

# Ideal primary school

One that is focused on areas of activity your child shows potential in

The right environment builds strength & provides the necessary support, opportunities & exposure
