

Preparing Your Child for Primary School

Explain to your child the routines in primary school
(e.g. flag raising, recess break & dismissal after school)

Help your child understand what it means to become a student in primary school

Bring your child along when buying school uniforms and other school materials

Explain the different subjects in Primary level education

Make time to explain the school rules, roles of teachers, classmates and school staff

Show support by focusing on the learning process

Find out if your child encounters difficulties in his/her studies

Take time to discover your child's strengths & talents

Establish routines at home such as having a timetable
& creating a conducive learning environment
